

## Clinical Trainee / Pre-Licensed Therapist – Minnetonka, MN

Minnetonka/Hopkins, MN | Hybrid & Telehealth Options Available

**Pay:** Up to \$85 per client contact hour

Join a practice that values you, your expertise, and your professional growth!

Mindfully Healing ([mindfullyhealing.com](https://mindfullyhealing.com)) is a thriving private practice dedicated to a holistic approach to mental health. We believe in treating clients as whole individuals, not just their diagnoses. Our clinicians enjoy autonomy, strong earning potential, and a collaborative, supportive team.

### Why Join Mindfully Healing?

- Competitive Pay – Earn \$85 per client session
- Independent Contractor (1099) – Set your own schedule & caseload
- Steady Referrals – Build a full caseload within weeks
- Work from Anywhere – Hybrid model with in-person & telehealth options
- Focus on Therapy, Not Admin – We handle marketing, scheduling, billing, & insurance
- Supportive & Collaborative Team – Weekly consult meetings & professional development
- Supervision Available – If needed for licensure completion

### About the Role:

We're seeking a pre-licensed clinician (clinical trainee) to provide individual, couples, and/or family therapy in our Minnetonka/Hopkins office or via telehealth. Our ideal candidate is motivated to see at least 20 clients per week, enjoys autonomy in their clinical work, and thrives in a supportive, growth-oriented environment.

This is a 1099 independent contractor position, allowing full control over your schedule, caseload, and income potential.

Have a niche or specialty? We encourage you to develop your expertise in the populations and modalities you're most passionate about!

### Responsibilities:

- Provide individual, couples, or family therapy (in-person or via telehealth)
- Conduct assessments, treatment planning, and progress documentation
- Maintain ethical and professional standards per Minnesota state regulations
- Participate in weekly case consultation meetings for ongoing support
- Manage online client scheduling and maintain clear clinical documentation

### Qualifications:

### Mindfully Healing

"Mindfully Healing embraces a personal growth based model unlike a problem or deficiency based model of traditional mental health..."

**Mission:** To help individuals and families overcome a variety of life's challenges through connection, education, and effective professional services.

**Vision:** To provide whole-person health care while enhancing the lives of people within our community.
